-stated by John W. Reagor, Jr.

*Out of our trials and tribulations comes an opportunity to overcome that which seems insurmountable. Yet for many when they have faced living behind bars, they too can be given an opportunity for change.*

*Living behind bars is what many do whether their bars are literal or psychological. Our growth comes in the dark nights of the soul. This book offers hope and encouragement for those who want to break free from those bars of self limitation.*
